

# Lipstick And Leather

## Y&T

I've been kicked, I've been hit  
I've been scratched, I've been bit  
I've been pushed around, shoved around  
Had it rough but it ain't enough

'Cause I never knew an angel could be so wild  
I never felt love till I tried your style

Lipstick and leather  
Black and red, oh yeah  
Lipstick and leather  
Rock and roll, baby  
Made a mess of my head

I've been slapped, I've been blamed  
I've been attacked and I've been chained  
Yeah, you put me down, slapped me 'round  
Long enough but love is tough

'Cause you're ready, willing, able to please  
Somebody tell me why I'm down on my knees  
I said, this must be love or I'm going insane  
There's such a thin, thin line between pleasure and pain

Lipstick and leather  
Black and red, oh yeah  
Lipstick and leather  
Black and red

The girl gets around  
Red lips like a traffic light  
But when the girl gets down  
Leather love's gonna burn all night

Oh, lipstick and leather  
Black and red, oh yeah  
Lipstick and leather  
Black and red

I've been kicked, I've been hit

(Lipstick and leather)  
I've been scratched and I've been bit  
You can knock me down, I'm gonna get back up  
(Lipstick and leather)  
Yeah, I had it all but it ain't enough

I've been scratched  
(Lipstick and leather)  
I've been attacked and chained  
Driven down on my knees  
And I'm goin' insane

Over lipstick and leather  
Black and red  
'Cause that rock 'n' roll, baby  
Made a mess of my head

With your lipstick and leather  
Black and red, oh yeah  
But your lipstick and leather  
Black and red, oh

Lipstick and leather
