

I Take It Back (Re-Recorded Version)

Sandy Posey

Here he comes now. I've got to tell him somehow.

I could put it off till later but it's best I do it now. Baby listen to me there is something I must try to say

I've put it off so long but I've decided that today is the day

My love for you is dying

Oh no, please don't start crying

I take it back

I didn't mean it

Please forget the things I said

I take it back

I'm sorry

I must have been out

Of my head He's such a man. It must have hurt him a lot if he let me

See him cry. But I must try again, this time I'll say goodbye. Baby you've been good to me you've always been

the best you could

So try to understand me now the way you've always understood

I can't go on another day

Oh please, don't look at me that way

I take it back

I didn't mean it

Please forget what I just said

I take it back

I'm sorry

I must have been out

Of my head
