

This Is A Game

Nick Waterhouse

Well, this is a game
I wish it wasn't so
But before we get started
There's one thing about it
That you should know
That this is a game
Please remember my words
And don't get upset when
You don't get what you think you deserve
This is a game
You get visions of thieves
Watch your deck stack
Get taken back
And the turned out sleeves
But this is a game
And those who play with skill
Aren't quite saying it's do or die
But anyway, you're gonna get killed
This is a game
This is a game
This is a game
