## Lacuna Coil

Ill be there when theres nothing left  
Night and day holding you  
Harmony deep inside your soul  
Meet me thereCan you feel me?  
Deep insideTheres no time to deny that Ill need you  
And Ill be there to inhale your delightful day  
Theres no time to deny, I will need you  
Thats why Ill be there to relieve your painful dayHiding well where the pain is real  
Night and day growing in you  
Anger is poison in your veins  
Meet me thereCan you feel me?  
Deep insideTheres no time to deny that Ill need you  
And Ill be there to inhale your delightful day  
Theres no time to deny, I will need you  
Thats why Ill be there to relieve your painful dayDeep insideTheres no time to deny that Ill need you  
And Ill be there to inhale your delightful day  
Theres no time to deny, I will need you  
Thats why Ill be there to relieve your painful day
