Room 112 (Intro) [2016 Rematered]

112

[Verse 1]
(What if) what if I never slept around,
never cheated on you girl
(What if) what if I didn't break your
heart and never ever ruined your world
(What if) what if I always was a real man,
and faced YOU face to face told you the truth?
(What if) what If I never ever tripped when you said you wanted to go out and hang with your crew?
(What if) what if I was a different man? THAN I WAS
(What if) what if I wasn't so selfish
and took one second just to listen to you
(What if) what if I was alone? On my own
(What if) what if I wasn't so damn controlling,
you would still be right here
[Chorus]
We would still be together, be together,
be together right now [3x]
We would still be together,
we would still be together girl
[Verse 2]
(What if) what if I didn't have lame
excuses for all the stuff that I do?
(What if) what if I had no baby mommas,
no damn drama and I never brought it around you
(What if) what if I never called you
out your name and treated you like you were my queen
(What if) what if I woke up from this madness
and this shit was just a dream
(What if) what if I really went to work
and didn't spend the whole day creeping?
(What if) what if you were at the beauty
shop and you didn't hear about me last weekend?
(What if) what if you ever asked me
a question and i didn't st, st, stutter all of the time
(What if) what if I wasn't so damn controlling
[Chorus]
We would still be together, be together,
be together right now [3x]
We would still be together,

we would still be together girl
(What if) what if I never said I do
when I knew that I wasn't ready for you
(What if) what if I gave a tenth to
my church and didn't drink it UP in VIP
what if,what,what if,what if,what,
what iiiif,what if,what if,what if,what if,
what if if i didn't we would still...
[Chorus]
We would still be together, be together,
be together right now [3x]
We would still be together, we would
still be together girl
(until fade out)
would we still be together girl...
