

# Out In the Street (BBC In Concert)

## UFO

Lady love to hang on  
Played it like a real intellectual  
Sweet sister you're still shaking  
And your tragedy is never ending  
Silver shoes you're wearing  
And every theatre there you've ever stared in  
Over my head, over my head Sidewalks of the city  
Every theater there you've ever played  
Your comic book impersonations  
Louise Fazenda and Buster Keaton  
Over my head, so it's all Out in the street for just one more matinee  
Yes, your vaudeville carries on  
So put a smile in front your man can see  
Yes, your vaudeville carries on Out in the street for just one more matinee  
Yes, your vaudeville carries on  
So put a smile in front your man can see  
Yes, your vaudeville carries on
