

Dancing's Done

THUMPERS

All your waking lives turning to cream
Stirring among the parts, moving like a dream
Dancing us along to the laughing sea
On a song When our dancing's done
In a sea, some waves we'll be riding on
There's a rescue wave still to come
Still lives on like you said, as you waved
You'll be fine when you get it
YOU'LL BE FINE WHEN YOU GET IT
You'll be fine, you were fine before
And when you're calling me you're saying there's a fire
And I want to tell you now that I have a looking heart for more
I see you want it and you want it but you're happy
AND YOU WANT TO SEE IT NOW, YOU WANT TO SEE IT NOW
Give up the finish, don't keep trying just to have it
Now you're waiting for me to bring it along You'll be fine when you get it
YOU'LL BE FINE WHEN YOU GET IT
You'll be fine, you were fine before
And when you're calling me you're saying there's a fire
And I want to tell you now that I have a looking heart for more
I see you want it and you want it but you're happy
AND YOU WANT TO SEE IT NOW, YOU WANT TO SEE IT NOW
Give up the finish, don't keep trying just to have it
Now you're waiting for me to bring it along
You'll be fine when you get it
YOU'LL BE FINE WHEN YOU GET IT
You'll be fine, you were fine before
And when you're calling me you're saying there's a fire
And I want to tell you now that I have a looking heart for more
I see you want it and you want it but you're happy
AND YOU WANT TO SEE IT NOW, YOU WANT TO SEE IT NOW
Give up the finish, don't keep trying just to have it
Now you're waiting for me to bring it along
