

Spoilin' For a Fight

[AC/DC](#)

I see trouble coming man Well I'm coming to a ball
Sliding down a road
Gonna lick 'em on down
We're gonna run right out Well, I'm a fighting fool
And I'm hungry for you
Well I'm living on a line
I'm protecting my life Rock with me
Come on, come on You're only spoilin' for a fight
Spoilin' for a fight
Spoilin' for a fight, yeah
Spoilin' for a fight
Spoilin' for a fight
Spoilin' for a fight, yeah
Make your heart beat thump
And make your starter jump, yeah
You're running on time, yeah
And then you're fighting all night With my rocking shoes
'Cause I'm hungry for you
Well I'm living on the line, yeah
All my life Rock with me
Come on, come on, you want it Spoilin' for a fight
Spoilin' for a fight
Tryin' to make it right
Spoilin' for a fight
Spoilin' for a fight
Trying to make it right, yeah
You better stand your ground
And keep out of my town
To live another day
Well yeah
Spoilin' for a fight
Spoilin' for a fight
Trying to make it right
Spoilin' for a fight
I said I'm spoilin' for a fight
'Cause I've gotta make it right
Fighting all night
'Cause I'm spoilin' for a fight
