

# Happily Ever After

## Book of Love

You made me feel happy  
But only for a minute  
Now I'm over you  
I count the times you've made me sad  
The things you put me through Happily ever after  
I'm over you  
Happily ever after  
I'm over you I'm looking at my best friend  
Who's staring out the window  
Wondering what's on his mind  
I wonder if he's as happily ever after  
As I  
I count the tears  
You've made me cry  
1-2-3-4-5-6-7-8-9-10-11-12 Happily ever after  
I'm over you  
Happily ever after  
And now I'm over you Happily ever after Now when I go out  
And see you around  
I don't care what you do  
The pain and the anger has all vanished  
Now so have you And now I count  
The tears of joy  
1-2-3-4-5-6-7-8-9-10-11-12  
Happily ever after  
I'm over you  
Happily ever after  
And now I'm over you Happily, happily, happily, happily ever after  
Happily, happily, happily, happily ever after Happily ever after  
I'm over you  
Happily ever after I'm over you  
I'm over you  
I'm over you  
I'm over you  
Over you Happily ever after  
Happily ever after
