

The Prow

Voivod

There you are, you're with me
Protecting all my crew
I carved you from a tree
My vision is you Lorelei, I have thee
In front of my ship
Cutting waves at full speed
Savoring the trip Down the mirror of the waterline
Leaning over underwater life
Hidden treasures of the seven seas I'm starboard to nowhere
On the Milky Way
Howling wind, salty air
Tearing at the sails Looking down the crow's nest
Gliding in the sky
Without sound, going West
Boating on the fly Down the mirror of the waterline
Leaning over underwater life
Hidden treasures of the seven seas But some day you'll go home
Far away on your own
'Dans La Mer', you'll go down
Go down where you belong Down the mirror of the waterline
Leaning over underwater life
Hidden treasures of the seven seas
