What Are Words

Chris Medina

Anywhere you are, I am near
Anywhere you go, I'll be there
Anytime you whisper my name
You'll seeHow every single promise I'll keep
'Cause what kind of guy would I be
If I was to leave
When you need me most?What are words
If you really don't mean them when you say them?
What are words
If they're only for good times, then they're done?When it's love
Yeah, you say them out loud
Those words, they never go away
They live on, even when we're goneAnd I know an angel was sent
Just for me and I know I'm meant
To be where I am
And I'm gonna beStanding right beside her tonight
And I'm gonna be by your side
I would never leave
When she needs me mostWhat are words
If you really don't mean them when you say them?
What are words
If they're only for good times, then they're done?When it's love
Yeah, you say them out loud
Those words, they never go away
They live on, even when we're goneAnywhere you are, I am near
Anywhere you go, I'll be there
And I'm gonna be here
Forever moreEvery single promise I keep
'Cause what kind of guy would I be
If I was to leave
When you need me most?I'm forever keeping my angel close
