Johnny 5

RADIORADIO

I know it's crazy but I heard you gave somebody else your crown around
midnight. Oh yea!
I heard you did it by the well, on the hill, in the moonlight. Oh yea!Oh baby can't you see
There's only you and me
I was your loyal clown
you were my mixed up queen
you had fallen
that was why I came callin'I could be your Johnny
You could be my Jane
I'll take you away from Jack
and all of his reindeer games
I could be your water
you could be my well
you know I love you stillI know it's crazy but I'm given to believin' you pretendin' you don't
want me. Oh yea!
I see it in your evil eyes and the pretty little lies that you told me
Oh yea!Oh baby can't you see
There's only you and me
I was your loyal clown
you were my mixed up queen
your head fallen'
that was why I came callin'I could be your Johnny
You could be my Jane
I'll take you away from Jack
and all of his reindeer games
I could be your water
you could be my well
you know I love you stillOh Jack and Jill well they went up that hill
to fetch a pale but their crown came down
She came tumblin' down
He came tumblin' down
They came tumblin' tumblin' tumblin' downI could be your Johnny
You could be my Jane
I'll take away from Jack
and all of his reindeer games
I could be your tumble
you could be my Jill
you know I love you still.
