

I'll Take You On

Howie Day

Make me fall down
Make me get up
And if I'm alright
Make sure I'm scared to death
Maybe I'm useless
If I just could remember
You make me feel nervous and I'll
Make you surrender
I'll take you on
Yeah I'll take you on I'll give it all away
But you don't
But you don't
I'll give it all away
But you don't
feel much better You said it yourself
You said I'm not ready
I'm tellin' myself
But it's not sinking in
Maybe I'm new at this
Or is it just you're reaction
Be my illusion and I'll
Be your distaction
I'll take you on
I'll take you on I'll give it all away
But you don't
But you don't
I'll give it all away
But you don't
feel much better oh, would it hurt
it wouldn't hurt to see you again
do you see what i meant
when I told you before
that I never wanted
to feel like this again, no I'll give it all away
But you don't
But you don't
I'll give it all away
But you don't
feel much better Can we stop all the world now

Sooner or later
I'll lose all control now
When the rain stops we'll end it
Whoa, now
Nothing to fear here
In my baby's arms
I'll take you on
I'll take you on
I'll take you on
I'll take you on
