# I Could Have Danced All Night

## My Fair Lady

Eliza: Bed, bed I couldn't go to bed
My head's too light to try to set it down
Sleep, sleep I couldn't sleep tonight
Not for all the jewels in the crownI could have danced all night, I could have danced all night
And still have begged for more
I could have spread my wings and done a thousand things
I've never done beforeI'll never know what made it so exciting
Why all at once my heart took flight
I only know when he began to dance with me
I could have danced, danced, danced all nightServants: It's after three now
Don't you agree now?
She ought to be in bedI could have danced all night, I could have danced all night
And still have begged for more
I could have spread my wings and done a thousand things
I've never done beforeI'll never know what made it so exciting
Why all at once my heart took flight
I only know when he began to dance with me
I could have danced, danced, danced all nightMrs. Pearce: I understand dear
It's all been grand dear
But now it's time to sleepI could have danced all night, I could have danced all night
And still have begged for more
I could have spread my wings and done a thousand things
I've never done beforeI'll never know what made it so exciting
Why all at once my heart took flight
I only know when he began to dance with me
I could have danced, danced, danced all night
