

I'm A Cheat

Nicole Scherzinger

Huh, huh, huh, huh,
Huh, huh, huh, huh,
Huh, huh, huh, huh,
Huh, huh, huh, huh, The good girl in me done gone,
Ring the bell - she ain't home (she ain't home).
And this new girl in me is so strange (so strange),
I used to love it, love it (now),
Everything's changed.

And now you, you saying you can do, do
What every other men has failed to do, do
I can hear you clear like a wireless network (network)
And I have no problems with affection
Cause this is how I address it I'm a cheat yey

I'm a cheat yey

I'm a cheat yey

He had a problem with affection

I'm a cheat yey

I'm a cheat yey

I'm a cheat yey

This is how I address it

I'm a cheat, cheat, cheat, cheat, cheat, cheat, cheat

I'm a cheat, cheat, cheat, cheat, cheat, cheat, cheat

I'm a cheat, cheat, cheat, cheat, cheat, cheat, cheat

I'm a cheat, cheat, cheat, cheat, cheat, cheat, cheat

(I'm a cheat though, nah I ain't no cheap ho. I can guarantee it like a Michael Jordan free throw) x2 Ain't it sad
that you gave me your best,

Cause your best was just like the rest.

Crying rivers trying me don't fly

My eyes drier then a Las Vegas sky

It was you, you said that you gonn' do, do

What every other man failed to do, do

Your just another dropped call in my network

He had a problem with affection

And this is how I address it I'm a cheat yey

I'm a cheat yey

I'm a cheat yey

He had a problem with affection

I'm a cheat yey

I'm a cheat yey

I'm a cheat yey
This is how I address it
I'm a cheat, cheat, cheat, cheat, cheat, cheat, cheat
I'm a cheat, cheat, cheat, cheat, cheat, cheat, cheat
I'm a cheat, cheat, cheat, cheat, cheat, cheat, cheat
I'm a cheat, cheat, cheat, cheat, cheat, cheat, cheat
(I'm a cheat though, nah I ain't no cheap ho. I can guarantee it like a Michael Jordan free throw)) x2Yves saint
