

# Bring On The Dancing Horses

## Echo & the Bunnymen

Jimmy brown  
Made of stone  
Charlie clown  
No way home  
Bringing on the dancing horses  
Headless and all alone Shiver and say the words  
Of every lie you've heard [Chorus]  
First I'm gonna make it  
Then I'm gonna break it  
Till it falls apart  
Hating all the faking  
And shaking while I'm breaking  
Your brittle heart Billy stands  
All alone  
Sinking sand  
Skin and bone  
Bring on the dancing horses  
Wherever they may roam Shiver and say the words  
Of every lie you've heard [Chorus] Brittle heart  
Brittle heart  
And my little heart  
Goes Jimmy brown  
Made of stone  
Charlie clown  
No way home [Chorus] Bring on the new messiah  
Wherever he may roam Brittle heart  
Brittle heart  
And our little hearts  
Go
