

Jackson

Lucinda Williams

All the way to Jackson
I don't think I'll miss you much
All the way to Jackson
I don't think I'll miss you much Once I get to Lafayette
I'm not gonna mind one bit
Once I get to Lafayette
I won't mind one little bit Once I get to Baton Rouge
I won't cry a tear for you
Once I get to Baton Rouge
I won't cry a tear for you All the way to Jackson
I don't think I'll miss you much
All the way to Jackson
I don't think I'll miss you much Once I get to Vicksburg
I don't think I'll feel an urge
Once I get to Vicksburg
I won't even feel an urge All the way to Jackson
I don't think I'll miss you much
All the way to Jackson
I don't think I'll miss you much
All the way to Jackson
I don't think I'll miss you much
