Take On Me

Captain Jack

We're talking away
I don't know what I'm to say
I'll say it anyway
Today's another day
To find you shying away
I'll be coming for our love
OK ?Take on me (Take on me)
Take me on (Take on me)
I'll be gone
In a day or twoSo needless to say
I'm odds and ends
But that's me stumbling away
Slowly learning that life is OK
Say after me
It's better not to be
Safe than sorryOh the things that you say
Is it live or just to play
My worries away
You're all the things
I've got to remember
You're shying away
I'll be coming for you anyway
