## **Mockingbird Song**

## **Katie Melua**

Now hush, now honey, here's the word My baby's gonna buy me a mockingbird And if that mockingbird don't sing Baby's gonna buy me a diamond ringAnd if that diamond ring won't shine We'll still have a real good time So I'm sitting right here WoahTo this man that I have found I'm gonna sing the sweetest sound And if that sweetest sound don't rock I'm gonna buy him a music box And if that music box don't play He's gonna stay with me anyway So I'm makin' it clear WoahWhen that man and I are wed I'm gonna keep him warm in bed And when my man's no longer hot I'm gonna bring him a vodka shotAnd when that spirit's made him strong I'm gonna stay with him all night long I'll be holding on tightly
