## Ale

## Neeraj Sridhar

shut up shut up i wanna hear that pin pricking shut up shut up i wanna hear that nail scrape shut up shut up up your insipid voice shut up shut up is that your glass heart clinking? i want to go to bed every second wrap your arms around your kitty she wont cuddle up to your disgusting feet shes not the only one who wont the gamecube is on its tender buttons hide crazy is the place your gigantic fat body fits crazily it fits into any bed shut up shut up i wanna hear that pin pricking shut up shut up i wanna hear that nail scrape shut up shut up up your insipid voice shut up shut up is that your glass heart clinking? whats done is done it cannot be undone whats done is done it cannot be undone whats done is done
