

# Already

## Rush of Fools

I try my best to work for Your love  
I never rest, hoping You'll want me to[Chorus:]  
When it's already, it's already, it's already been done  
When it's already, it's already, it's already been done I never stop believing there's more I can do  
I just can't resist searching for ways to please You[Chorus] There's nothing more there's never less  
It's only You and I am blessed  
Well, there's nothing more there's never less  
It's only You and I am blessed[Chorus]
