

Glory Cloud

Laika

Advisory - the following lyrics contain explicit language:

Set my heart strings strummin'
Resonate in me
Stars burst diamond sockets
Sounding of the sea
Songbird on my shoulder
Peaceful when I sleep
Be with me as I grow older
Glory cloud we'll keep
Be the light I see by
Reflected in the tide
Following the colour of summer
Ou will be my guide
Little stabs of laughter
Fusing in your eyes
Time will pass as we grow closer
Glory cloud will rise
