

Coke & Smoke

House Of Fools

Cocaine and cigarettes
Gets me through the day
It seems like the only way
Take me to the closest bar
Buy me a shot
The strongest shot you got Point me in the direction
Of the prettiest girl
That wants to give it up
Even though I still feel like hell
I still feel Teach me, reach me
Teach me everything
You ever wanted me to learn
Touch me, feel me
Give me everything
You ever wanted for yourself
For yourself, self Looking in the mirror
You've only analyzing yourself, self
Hoping things get better
You only do it for yourself Even though I cry
You know I still smile sometimes
Teach me, reach me
Teach me everything You ever wanted me to learn
Touch me, feel me
Give me everything
You ever wanted for yourself And no matter what's to happen you know
That I will always try my best
And no matter what they say to me
You know that I will always
Find my way back to you
For myself, self
