

# We Tigers

## Animal Collective

May I bang with this? I'm like this... and you're like this  
I'm like this... and you're like this  
I'm like this... and you're like this  
I'm like this... and you're like this We tigers We tigers  
Woop! Woop! Woop! Hey kids let's pick up sticks  
let's make out the sounds of our own,  
All dogs invited if everything feels wrong then we need a little bangin' goin on.  
1-2-3 arms for the trees  
self seekers vomiting doubts,  
I changed all your words but my poltergeist concurs that words aren't even necessary right now.  
But I'm a noisy singer, singing out at a dinner: dinners are much stranger now. Everybody's lovin', Everybody's  
lovin'  
Everybody's lovin', Everybody's lovin'  
Everybody's lovin', Everybody's lovin'  
Everybody's lovin', Everybody's lovin'  
Everybody's lovin', Everybody's lovin' Tigers tigers tigers tigers tigers tigers  
Ohh... Ahh...  
Katie did, Katie did  
Ohh... Ahh...  
Ogres ogres ogres ogres ogres ogres...  
Ohh... Ahh...  
Ohh... Ahh...  
Ohh... Ahh...  
Ohh... Ahh...  
Ohh... Ahh...  
I've felt worse  
I feel the curse of knowing what I shouldn't be, (I like it)  
I don't know where we'll go but let's walk around and pretend we're everything we see,  
Kiss for a kiss, love change for chips, rules; but I thought you and I,  
Remember the young duck you crashed at my apartment you kept me up and made me smile. Now I'm a noisy  
singer, singing out at a dinner: dinners are much stranger now. Everybody's lovin', Everybody's lovin'  
Everybody's lovin', Everybody's lovin'  
Everybody's lovin', Everybody's lovin'  
Everybody's lovin', Everybody's lovin'  
Everybody's lovin', Everybody's lovin' Tigers tigers tigers tigers tigers tigers...  
Tigers tigers tigers tigers tigers tigers  
Tigers tigers tigers tigers tigers tigers  
Tigers tigers tigers tigers tigers tigers  
Tigers!
