Little Do You Know

Campsite Dream

Little do you know
How I'm breaking while you fall asleep
Little do you know
I'm still haunted by the memories
Little do you know
Trying to pick myself up piece by piece
Little do you know
I need a little more time
Underneath it all
I'm held captive the hole inside
I've been holding back for the fear that you might change your mind
I'm ready to forgive you but forgetting is a harder fight
Little do you know
I need a little more time
Little do you know
Little do you know
Little do you know
I know you're hurting while I'm sound asleep
Little do you know
All my mistakes are slowly drowning me
Little do you know
I'm trying to make it better piece by piece
Little do you know
I, I love you 'til the sun dies
Underneath it all
I'm held captive the hole inside
I've been holding back for the fear that you might change your mind
I'm ready to forgive you but forgetting is a harder fight
Little do you know
I need a little more time
Little do you know
Little do you know
Little do you know
I'll wait, Just wait
I love you like you've never felt the pain
Just wait
I love you like you've never been affraid
Just wait
Our love is here and here to stay

So lay your head on me
So lay your head on me
Little do you know
I, i love you 'till the sun dies
Little do you know
