The One Inside

Shining

But I Say no
You Wanna go with the flow
But I Am The One Inside
And I say NoThere's something inside
Something that decides
Standing there across the Nile
A figure in black,
you say you wanna leave it all behindIt says no
It says no
It says no
It says noThere's a hole in your soul
Where control is growing old
You think, you think you decide
You think you know The One Inside,But I Say no
You Wanna go with the flow
But I Am The One Inside
And I say NoI am you, you are I
You're the one that I decide
I define myself by how well I hide
I define you by how well you lieYou think, you think you decide
You think you know The One Inside,But I Say no
You Wanna go with the flow
But I Am The One Inside
And I say No
But I Say no
You Wanna go with the flow
But I Am The One Inside
And I say NoI Say no
You Wanna go with the flow
But I Am The One Inside
And I say NoI Say no
You Wanna go with the flow
But I Am The One
And I say No
