

Only Ones Who Know

Arctic Monkeys

In a foreign place,
the saving grace was the feeling
And that it was a heart that he was stealing
Oh he was ready to impress
and fierce excitement
The eyes are bright she couldn't wait to get away
And I bet the Juliet was just the icing on the cake
Make no mistake, no
And even if somehow we could have
shown you
the place you wanted
Well I'm sure you could have made it that bit
better on your own
And I bet she told
a million people that she'd stay in touch
Well all the little promises that don't mean much
When there's memories to be made
And I hope you're holding
hands by New Year's Eve
They made it far too easy to believe
That true romance can be achieved
these days
And even if somehow they could have
shown you the place you wanted
Well I'm sure you could have made it that bit
better on your own
You are the only ones who know
