

Trainwreck

As Summer Dies

My heart won't let my head let go.
Should I cut it out and let the pain grow?
Cuz it's getting harder to ignore and I don't know what , what all of this is for

I don't know what to say
Time won't make this ok
It just gets more sore

I think aloud as I lie awake and I count the seconds sleep will take to drag me off and far away from all the hate
so many here today

I don't know what to say
Time won't make this ok
It just gets more sore

And it's all I can do to satisfy this sickness as it all falls away
I don't want to let you go...

I don't know what to say
Time won't make this ok
It just gets more sore
