

Superman

Dizzee Rascal

[Hook]

I am Superman, bitch I'm Superman

I am Superman, Superman Superman

I am Superman, bitch I'm Superman

I am Superman, Superman Superman

I turn a dollar to 100, to 100 million

Be over tall buildings, niggas can't get em

I turn a dollar to 100, to 100 million

Be over tall buildings, niggas can't get em

I am Superman, bitch I'm Superman[Verse 1: Dizzee Rascal]

Yo! I'm young, free, I'm running amok

And I just got paid so I'm really gonna live it up

I'm on that Superman flex

Tryna think about which part [?] holiday next

A lot of chilling and a whole lot of sex

I need a girl to keep my thingy erect

And I ain't silly cos I always keep my Jimmy protected

So I don't ever worry bout getting infected

My only concern is that vibe stays jiggy

So you ain't gotta worry bout spending no money if you're ridin with me

I'll put it all on the card, [?] paper

And think about what it cost me later

I think that we should start in Jamaica

Or maybe Antigua, I know a couple spots in Ibiza

Everybody's watchin me cuz I'm a over achiever

And I could really do with a breather

Girl give me one[Bridge]

Girl you be like how, how you do it?

How you do it?

Oh how you do it?

Oh oh oh oh

Oh how you do it?

How I do it?

How, how I do it?

Oh oh oh oh[Hook]

I am Superman, bitch I'm Superman

I am Superman, Superman Superman

I am Superman, bitch I'm Superman

I am Superman, Superman Superman

I turn a dollar to 100, to 100 million
Be over tall buildings, niggas can't get em
I turn a dollar to 100, to 100 million
Be over tall buildings, niggas can't get em
I am Superman, bitch I'm Superman[Verse 2: Dizzee Rascal]
My own deal winner says count your blessings
From the car that you drive to the clothes you dress in
So I'm D&G head-to-toe
I got a little swagger and I'm letting it show
Plus I got money to blow, that's why I'm letting you know
All you really need is just the bare necessities
So pack em and I'm ready to go
So what you're waitin for? I'm ready to roll
And I can tell that you're excited, you ain't telling me no
I've got a friend with a boat so you we can float in the Caribbean Sea
Or we could drive by the coast, top down, catching the breeze
And now I wanna speed, I'm takin it easy
I want you to enjoy the scenery
We ain't in a hurry, don't need to rush and scurry
Don't even worry yourself, you look lovely
Enjoy the sun, you think this is fun
No we ain't never started, we ain't never broke up, come on[Bridge]
Girl you be like how, how you do it?
How you do it?
Oh how you do it?
Oh oh oh oh
Oh how you do it?
How I do it?
How, how I do it?
Oh oh oh oh[Hook]
I am Superman, bitch I'm Superman
I am Superman, Superman Superman
I am Superman, bitch I'm Superman
I am Superman, Superman Superman
I turn a dollar to 100, to 100 million
Be over tall buildings, niggas can't get em
I turn a dollar to 100, to 100 million
Be over tall buildings, niggas can't get em
I am Superman, bitch I'm Superman[Bridge 2]
All my bitches high, all my bitches fly
All these bottles, getting drunk up in here tonight
Even my money high, talking sky high
You want some, space god
She was just walkin by her own
She thinks that she's a model

She want it all, it's not all
Won't there be no more bottles?[Bridge 2]
Girl you be like how, how you do it?
How you do it?
Oh how you do it?
Oh oh oh oh
Oh how you do it?
How I do it?
How, how I do it?
Oh oh oh oh
