

Salty Dog

Jack Elliott

Salty dog, salty dog
I don't wanna be your Annie doll
Honey let me be your salty dog
Candy man Two old maids sittin' in the sand
One were a she
The other were a man
Salty dog, candy man Worst day I ever had in my life
My best friend caught him kissin' his wife
Salty dog, candy man Salty dog, salty dog
I don't wanna be your Annie doll
Honey let me be your salty dog
Candy man
