

# I Will Love You Tomorrow

## KC and the Sunshine Band

I will love you tomorrow  
I will love you all the way  
I will love you tomorrow  
If you'll just love me today You're the one that I've been dreaming of  
You're the one I want to give my love  
Everyday I want you more and more  
Baby, please, open up your door I will love you tomorrow  
I will love you all the way  
I will love you tomorrow  
If you'll just love me today When you're near me, can't you hear my heart?  
Sending out a message to never part  
Please, don't leave me now, I need you so  
If you love me now I'll never go I will love you tomorrow  
I will love you all the way  
I will love you tomorrow  
If you'll just love me today Hey, hey, hey  
Oh yeah  
Hey, hey, hey  
Oh, today I will love you tomorrow  
I will love you all the way  
I will love you tomorrow  
If you'll just love me today, hey, hey, hey (I will love you tomorrow) ohoho, yeah  
(I will love you all the way) I will love you tomorrow  
(I will love you tomorrow) if you'll just love me today  
(If you'll just love me today) oh, hey, hey! (I will love you tomorrow)  
I will love you all the way  
I will love you tomorrow  
If you'll just love me today (I will love you tomorrow)  
I will love you all the way I will love you tomorrow  
If you'll just love me today)
