Slow

Colours

come a little bit closer
there's no need to be so shy
and tell me all about your worth
I'll tell you all about my lies
say go slow, say go slow, say go slow
as your hands move over mine
yeah I know, yeah I know, yeah I know
I see it all inside your eyesI wanna feel your body next to mine
I wanna hear you say that we'll be alright
any way you want it girl I'm on it let your ivory show
don't go slow, don't go slow, don't go slowso we make it up as we both go
we pretend that all is fine
you say you haven't done this before
when it's wrong enough to feel just right
say go slow, say go slow, say go slow
your heart beat mirrors mine
yeah I know, yeah I know, yeah I know
you move and then I come to lifeI wanna feel your body next to mine
I wanna hear you say that well be alright
any way you want it girl I'm on it let your ivory show
don't go slow, don't go slow, don't go slow
