

What's In It For Me

Amy Diamond

Ah ah ah ah
OkeyIt's so confusing
You sure been messing with my mind
Eh eh eh eh yeah
You cut me loose and
Suddenly we're doing fine
I'm not a perfect little girl
But I should get what I deserve
And I refuse to be your mother
So tell meI really gotta know
This ain't no one man show
To in my life
You come and you go
Ain't happy about it
So I gotta know
What's in it
(What's in it)
(What's in it)
Yeay!
(What's in it)
(What's in it)
Aaooo!Please understand me
Your games ain't working anymore
Ain't working anymore
You can't have this candy
And keep one foot outside the door, nooo
And how you only come around
When your life is upside down
And I'm about to blow your cover
So tell me
I really gotta know
This ain't no one man show
To in my life
You come and you go
Ain't happy about it
So I gotta know
What's in it(What's in it)
(What's in it)
(What's in it)

(What's in it)I got no time for a hit and run

I need more than a little fun

Cause I only play for keeps

I gotta know what's it all about

Go ahead, spit it out

Say what's in it for me

What's in it for me, eh eehAah

Hang onYeah!

(What's in it)

(What's in it)

Ooh!

I really gotta know, oh

(What's in it)

(What's in it)

Yeeaay!This ain't no one man show

In my life

You come and you go

Ain't happy about it

So I gotta knowI really gotta know

This ain't no one man show

To in my life

You come and you go

Ain't happy about it

So I gotta know

What's in it(What's in it)

(What's in it)

Ooh!

What's in it
