

These Boots Are Made for Walking

Jessica Simpson

Are you ready boots?

Start walkin

Yee haw

C'mon

Letâ€™s go

You keep saying you got something for me (uh)

Well officer I donâ€™t mind to say you do

Now your looking right where I thought youâ€™d be looking

Legs come handy when laws in front of you

These boots are made for walkin

And thatâ€™s just what theyâ€™ll do

One of these days these boots are gonna walk all over you

You believe youâ€™ve stopped me for a reason (uh)

Now Iâ€™m pretending my bendings just for fun

You keep playing where I got you playing (yeah)

These double 'Dâ€™ initials work to run

These boots are made for walkin

And thatâ€™s just what theyâ€™ll do

One of these days these boots are gonna walk all over you

Iâ€™m the girl with the good boys who donâ€™t mean you no harm

This gotten way with Hazzard County charm

There ain't no crime in havin' a little fun

Swerve my stride

Bat my sexy eyes

Where my boots at (haha)

Strut ya stuff come on

Hey yaâ€™ll

Wanna come and see something (uh uh, uh uh)

Canâ€™t touch, can I get a hand clap for the way I work my back

Tick tock all around the clock drop it

Push ya tush, like that

Can I get a sueee

Can I get a yee haw

You keep thinking what you shouldnâ€™t be thinking
Another to far is down till you kissing ground
Iâ€™m a gonna send you back home as you crying
But Uncle Jesse he sure is gonna be proud

These boots are made for walkin
And thatâ€™s just what theyâ€™ll do
One of these days these boots are gonna walk all over you

These boots are made for walkin
And thatâ€™s just what theyâ€™ll do
One of these days these boots are gonna walk all over you

Come on boots
Start walking
Come on ladies

Hey yaâ€™ll
Wanna come and see something (uh uh, uh uh)
Canâ€™t touch, can I get a hand clap for the way I work my back
Tick tock all around the clock drop it
Push ya tush, like that
Can I get a sueee
Can I get a yee haw

Come on Willie (ohh yeah, owww)
Yeee haw
Willie Nelson everybody (uh)
Letâ€™s go home now
