

# The Other Side Of The Door

Taylor Swift

In the heat of the fight, I walked away  
Ignoring words that you were saying, trying to make me stay  
I said this time I've had enough  
And you've called a hundred times, but I'm not picking up  
'Cause I'm so mad, I might tell you that it's over  
But if you look a little closer  
I said leave, but all I really want is you  
To stand outside my window throwing pebbles  
Screaming, "I'm in love with you"  
Wait there in the pouring rain, coming back for more  
And don't you leave, 'cause I know  
All I need is on the other side of the door  
Me and my stupid pride, sitting here alone  
Going through the photographs, staring at the phone  
I keep going back over things we both said  
And I remember the slamming door and all the things that I misread  
So baby, if you know everything, tell me why you couldn't see  
When I left, I wanted you to chase after me  
I said leave, but all I really want is you  
To stand outside my window throwing pebbles  
Screaming, "I'm in love with you"  
Wait there in the pouring rain, coming back for more  
And don't you leave, 'cause I know  
All I need is on the other side of the door  
And I scream out the window I can't even look at you, I don't need you  
But I do, I do, I do  
I'll say there's nothing you can say to make this right again  
I mean it, I mean it, what I mean is  
I said leave, but baby all I want is you  
To stand outside my window throwing pebbles  
Screaming, "I'm in love with you"  
Wait there in the pouring rain, coming back for more  
And don't you leave, 'cause I know  
All I need is on the other side of the door  
With your face and the beautiful eyes  
And the conversation with the little white lies  
And the faded picture of a beautiful night  
You carried me from your car up the stairs  
And I broke down crying, was she worth this mess

After everything and that little black dress  
After everything, I must confess  
I need you
