

# Right Now Praise (Feat. Jason Nelson)

[Jonathan Nelson](#)

I am just one praise from my breakthrough  
I'm just one praise away from my blessing  
So I must reach down inside to the depths of my soul  
and bring forth a right now praise that's already in me. You are just a praise from your breakthrough  
just a praise away from your blessing  
if you just reach down inside to the depths of your soul  
and bring forth a right now praise that's already in you, um. For it's my praise (ah-ah-ah)  
That produces fresh oil (fresh oil)  
And it's the oil of the anointing  
That destroys every yoke  
So I must reach down inside  
To the depths of my soul  
And bring forth a right now praise  
That's already in me. Praise, a right now praise  
Praise, a right now praise  
Praise, a right now praise  
Call it forth. Praise, a right now praise  
Praise, a right now praise  
Praise, a right now praise  
Call it forth. Praise, a right now praise  
Praise, a right now praise  
Praise, a right now praise  
Call it forth
