

# The King Has Lost His Crown

## Blacksmith

AhhI believe your new girl turned you down  
And they say, "She's pushin' you around"  
How does it feel? I guess it hurts your pride  
Tell me my friend how many nights you cried?Disaster and disgrace  
The king has lost his crown  
Suddenly he's clumsy like a clown  
Aaa  
The world is upside down  
The king has lost his crownWas it hard to step down from your throne  
And to know tonight you're all alone?  
Oh, what a shame, you really want that girl  
She doesn't care, still you just dream of herDisaster and disgrace  
The king has lost his crown  
Suddenly he's clumsy like a clown  
Haa  
The world is upside down  
The king has lost his crownDisaster and disgrace  
The word is all around  
Suddenly he's clumsy like a clown  
Aaa  
The world is upside down  
The king has lost his crown  
Disaster and disgrace  
The word is all around
