Deeper and Deeper

Southern Express Trio

Why - why should we go deeper into this?
I don't know
Try - I'm tryin' to find what's in your secret.
'cause I don't know
Time - the minutes are counted between us
That's why
I'm fallin' deeper and deeper
Getting sweeter and sweeter
can't obscure your desire
'cause you learn as it grows
It's so strong
It lingers on
Forever
How - How come your abundant in my thoughts?
I wonder
Now - I feel that it's scripted into my part.
I wonder
Time - the seconds are counted between us
That's why
I'm fallin' deeper and deeper

Getting sweeter and sweeter
can't obscure your desire
'cause you learn as it grows
It's so strong
It lingers on
Forever, forever
Deep within, in between
Me and myself
So high
Deeper, sweeter
I'm fallin' deeper and deeper
Getting sweeter and sweeter
can't obscure your desire
'cause you learn as it grows
I'm fallin' deeper and deeper
Getting sweeter and sweeter
You can't obscure your desire
'cause you learn as it grows

It's so strong
It lingers on
Forever
