

# Valley Of Angels

## Bo Bice

I've been down and done nothing at all  
And sometimes I feel I've grown  
Never try to let it show but I'm not alone  
If you sing this song I'll take you there  
If you don't care  
Go into the valley of angels  
To swim in that deep blue sea  
Surrounded by your faith and your glory  
It's where I find my peace, true peace  
In the valley of angels, in the valley of angels  
Heard so many stories, thought they were lies  
(But you know they're true)  
I know that I have quit before I even tried  
(Oh don't you quit, my boy)  
I stood up one day and found myself but I'm not alone  
If you sing this song I'll take you there  
If you don't care come with me  
Go into the valley of angels  
To swim in that deep blue sea  
Surrounded by your faith and your glory  
It's where I find my peace  
You know, I find true peace  
In the valley of angels  
All you ever dream to see  
You can't touch, you don't believe  
Fly in here on angels wings  
Go into the valley of angels  
To swim in that deep blue sea  
Surrounded by your faith and your glory  
It's where I find my peace, you know, I find true peace  
You know, I'll take you there, oh, if you don't care  
Oh, in the valley of angels  
(Go into the valley of angels)  
To the valley of angels  
(Go into the valley of angels)
