

Beyonc?

If I ain't got nothing, I got you
 If I ain't got something I don't give a damn, cause I got it with you
 I don't know much about algebra, but I know one plus one equals two
 And it's me and you, that's all we'll have when the world is through

'Cause baby we ain't got nothing without love
 Darling you got enough for the both of us
 So come on baby, make love to me

When my days look low, pull me in close and don't let me go
 Make love to me, so when the worlds at war, that our love heal us all
 Right now baby make love to me me me me me
 Oh oh make love to me

Hey, I don't know much about guns but I, I've been shot by you
 Hey, and I don't know when I'm gon die, but I hope that I'm gon die by you
 Hey, and I don't know much about fighting, but I, I know I will fight for you
 Hey, just when I ball up my fist I realize I'm laying right next to you

Baby we ain't nothing but love
 And darling you got enough for the both of us
 Make love to me when my days look low,
 Pull me in close and don't let me go

Make love to me so that when the worlds at war,
 That our love heal us all
 Help me let down my guard, make love to me me me me me
 Oh oh make love to me me me me me
