Missing You

Montgomery Gentry

It's just one of those hard days
Nothin' in the cards days
Walkin' in the dark days
You gotta push your way through
It's a cut to the bone day
A feelin' all alone day
Knowin' everything's gone day
Missin' you...
Most days I'm doin' alright
I'm movin' on with my life
I put up a pretty good fight
When these feelings come around
But baby every now and then
I let the heartache win
And when your memory knocks me to the ground
It's a can't let go pain
I hit a new low pain
I wish I didn't know pain
Yeah, I'm missin' you...
Most days I'm doin' alright
I'm movin' on with my life
I put up a pretty good fight
When these feelings come around
But baby every now and then
I let the heartache win
And when your memory knocks me to the ground
It's a stuck in hell day
Keep remindin' myself day
That tomorrow won't hurt the same
Yeah, I'm missin' you...
It's just one of those hard days
Hmmm, missin' you...
Yeah, I'm missin' you...
