A Moment Like This

Kelly Clarkson

What if I told you it was all meant to be
Would you believe me, would you agree?
It's almost that feeling we met before
So tell me that you don't think I'm crazy
When I tell you love has come here and nowA moment like this
Some people wait a lifetime for a moment like this
Some people search forever for that one special kiss
Oh, I can't believe it's happening to me
Some people wait a lifetime for a moment like thisEverything changes but beauty remains
Something so tender, I can't explain
Well, I may be dreaming but till I awake
Can't we make this dream last forever
And I'll cherish all the love we shareA moment like this
Some people wait a lifetime for a moment like this
Some people search forever for that one special kiss
Oh, I can't believe it's happening to me
Some people wait a lifetime for a moment like thisCould this be the greatest love of all
I wanna know that you will catch me when I fall
So let me tell you this
Some people wait a lifetime for a moment like thisSome people wait a lifetime for a moment like this
Some people search forever for that one special kiss
Oh, I can't believe it's happening to me
Some people wait a lifetime for a moment like thisOh, moment like this, moment like
Oh, I can't believe it's happening to me
Some people wait a lifetime for a moment like this
Oh, like this
