Gangsta Boo

Gangsta Boo & Shawty Lo

Haha what's up ladies
How ya'll doin'
Yea I know what ya'll need
All of ya'll
And that's ya'll gangsta boo right
Come on
Mmm
Yea...Yea
Oh no noIt was 6 o'clock on the dot
That's when I seen this cutie
She was chillin' at the spot
she was wit her girls
I was wit my boys
All of a sudden
I asked her to come over and say
"Whaddup ma
How'd you like to get to know me?
I'm not shy
I'll do anything for you and
I'm that guy
Say I pick you up at eight
I promise I won't be here late"[Girl:] 'Cause all I ever wanted was
Someone I could hold on to
Someone who would never break my heart in two
[Chris:] can I be the one for you?
[Girl:] lets hang out and let's seeShorty wanna rider (gangsta boo)
I told her that I'd call her (it's true)
I'm not looking for no love but
I think that you're the one
So come on come on
Shorty want a baller (gangata boo)
Someone who can spoil her (it's true)
I'm not looking for no love but
I think that you're the one
So come on, come onI never met no one like you before
But I gotta take this chance
Cause if I don't I'll never know
What this girl is really looking for
I may not have all the money (so who cares)

I may not have all the fancy cars (I will be there)
But what I have to give you baby
Is so much more[Girl:] 'Cause all I ever wanted was
Someone I could hold on to
Someone who would never break my heart in two
[Chris:] can I be the one for you?
[Girl:] lets hang out and let's seeShorty wanna rider (gangsta boo)
I told her that I'd call her (it's true)
I'm not looking for no love but
I think that you're the one
So come on come on

Someone who can spoil her (it's true)
I'm not looking for no love but
