In My Blood

Krokus

She kisses like the devil
Talkin' like a nun
She holds me like an angel
Hits me like a gunI feel the rollin' thunder
Down on me
But the love she gives
Just sets me freeHey, hey, hey, hey
You got it
Hey, hey, hey, hey
I need itShe's in my blood, in my blood
Under my skin
She's in my blood, in my blood
Under my skinThey tell me she mean trouble
I can't resist
My heart beats double
I taste her lipsBackstreet rhythm
She comes on strong
Such a merciless lover
She bangs the gongHey, hey, hey, hey
You got it
Hey, hey, hey, hey
I need itShe's in my blood, in my blood
Under my skin
She's in my blood, in my blood
Under my skinShe's in my blood, in my blood
So help me gone
MamaShe's in my blood, in my blood
Under my skin
She's in my blood, in my blood
Under my skinShe's in my blood, Yes she is
Under my skin
She's in my blood, in my blood
Under my skinShe's in my blood, in my blood
Under my skin
