Youn' see all my jewels, youn' see how I'm ridin'  
Youn' see how I struggle, youn' see how I grind  
We're push niggas hatin', tell em' to get in line  
Come with this grand hustle, tellin' that we gon' shine  
You don't see me nigga, you don't see me  
You don't see me nigga, you don't see me  
You don't see me nigga, you don't see me  
You don't see me nigga, you don't see me  
You don't see me nigga, you don't see me

Rearrange ya face, stick the 4-4 Magnum close enough  
Black lack, ocean rough, trappin' by the ocean brim  
Popi said he ran out of white, mi get the Opium  
Niggas drive sodium, I stand up like a podium  
Smooth like linoleum, presidentially, I roly em'  
Youn' see all my jewels, youn' see how I'm ridin'  
Youn' see how I struggle, youn' see how I grind  
We're push niggas hatin', tell em' to get in line  
Come with this grand hustle, tellin' that we gon' shine  
You don't see me niggas, you don't see me  
You don't see me niggas, you don't see me  
You don't see me niggas, you don't see me  
You don't see me niggas, you don't see me  
Eh bitch please, shit here ain't new to me  
Overseas, water still blue to me

A 100 key, they won't have a clue it's me  
I walk about the airport, only bad hoes suing me  
A pimp fluently, they chase me like a truancy  
Young Dro yeah, I'm on the block and I'm the newest G  
You wanna do a G? Come and talk to a G  
You might not even act like that only if you knew a G  
I ride one chick, paint look Sunkist  
Best thang smokin', Young Dro, I'm the one, bitch  
Change one car, drizzle as a pornstar  
Bet I'm on the 6's and I bet I'm ridin' Northstar  
Youn' see all my jewels, youn' see how I'm ridin'  
Youn' see how I struggle, youn' see how I grind  
We're push niggas hatin', tell em' to get in line  
Come with this grand hustle, tellin' that we gon' shine  
You don't see me niggas, you don't see me  
You don't see me niggas, you don't see me  
You don't see me niggas, you don't see me  
You don't see me niggas, you don't see me  
You don't see me candy drop top down on 4's  
You don't see me 25 riding out in a Rolls  
You don't see me pullin' up every day dime hoe's  
You don't see a nigga fresh from his head to his toes  
Neck and wrist froze, hell yeah, player shine  
Do it big on the daily, you should see me on my grind  
All night it's getting mine on dem H-Town blocks  
Dodgin them fake niggas and dem pussy ass cops  
You don't see me on ya TV reppin' tha H  
You don't see me putting taxes all up in they face  
Slim Thug, a muthafucka, You don't see me I'm a boss  
You think the ride is live, you should see a nigga house  
I pay tha cost to floss, real heavy, got everything  
Holding from tha choppa to tha Chevy, I'm ready  
Fucking wit my nigga, Young Dro, you don't see me  
With the PSC wrecking on the floor, hoe  
Youn' see all my jewels, youn' see how I'm ridin'  
Youn' see how I struggle, youn' see how I grind  
We're push niggas hatin', tell em' to get in line  
Come with this grand hustle, tellin' that we gon' shine  
You don't see me niggas, you don't see me  
You don't see me niggas, you don't see me
