Aeroplane Blues

The Black Keys

I'm on an airplane
Close to sea
Going nowhere
I wanna beDistant lands
Don't know who I amEyes are heavy
Mind is shook
Can't feel
Drugs I tookDistant lands
Don't know who I amTake your seat
Don't be shy
You got to remember
You're gonna dieDistant lands
Don't know who I am
Don't know who I am
