## Rhye

I'm a fool for that shake in your thighs  
I'm a fool for that sound in your sighs  
Im a fool for your belly  
Im a fool for you loveI wanna make this play  
Oh, I know you're faded  
Mm, but stay, don't close your eyes  
I wanna make this play  
Oh, I know you're faded  
Mm, but stay, don't close your eyesCaught in this pool held in your eyes  
Caught like a fool without a line  
We're in a natural spring  
With this gentle sting between usI wanna make this play  
Oh, I know you're faded  
Mm, but stay, don't close your eyes  
I wanna make this play  
Oh, I know you're faded  
Mm, but stay, don't close your eyesOoohhh, stay open  
Ooohhh, stay openStay open  
Stay openI wanna make this play  
Oh, I know you're faded  
Mm, but stay, don't close your eyes  
I wanna make this play  
Oh, I know you're faded  
Mm, but stay, don't close your eyesStay open  
Stay open  
Stay open  
Mmm, stay open
