

Bad Luck Streak In Dancing School

Warren Zevon

Bad luck streak in dancin' school
Down on my knees in pain
Bad luck streak in dancin' school
Swear to God I'll changeSwear to God I'll change
Swear to God I'll change
Swear to God I'll change
Pauline, don't make me begBad luck streak in dancin' school
Down on my knees in pain
I've been actin' like a fool
Pauline I swear I'll changeDown on my knees in pain
Down on my knees in pain
Down on my knees in pain
Down on my knees in painBad luck streak in dancin' school
Down on my knees in pain
I've been breakin' all the rules
Swear to God I'll changeSwear to God I'll change
Swear to God I'll change
Swear to God I'll change
Swear to God I'll changeDown on my knees in pain
Down on my knees in pain
Down on my knees in pain
Down on my knees in painDown on my knees in pain
Down on my knees in pain
