

# Sweetheart

## My Morning Jacket

Slowly, you stroll over where I sit,  
you strain crystals but now im one within.  
Sweetheart, lover, words you use for me,  
I yearn to get you forever, to get you into  
me.(Ahhhhhhhhhhhhhh)(Ahhhhhhhhhhhhhhhhhhhh)(Ahhhhhhhhhhhhhhhhhh-  
Ahhhhhhhh)(Ahhhhhhhhhhhhhhhh-Ahhhhhhhhhhhh)(Ahhhhhhhhhh)Slowly, I stroll, over where you sit,  
it took so long, now im into it.Sweetheart, lover, I wanted you before,  
but when the heart beats next to me I want it even more.
