

Four More Years

Iron Reagan

I'm not going to apologize
You know that you all deserved it
I never promised to keep promises
There's only some that are worth it

My advice to you
Is give me a second chance
It takes a while to get started
And all that song and dance

Give me four more years
It's all I can do
Blood and tears
I'll give to you
Four more years
It's all that I need
Cash and fear

To fuel this greed
What I really need now
Is just a little more time?

To make the wrong decisions
To put us years behind
Four more years
It's all that I need
Cash and fear
To fuel this greed
